### DETAILED ACTION

The amendments and remarks submitted June 2, 2004 are persuasive to overcome the objections set forth in the prior office action. The claims are allowable for reasons set forth in the prior office action.

1. This application is in condition for allowance except for the following formal matters:
2. A clean draft of claim 27 is required.
3. In accordance with 37 CFR 1.175(b)(1), a supplemental reissue oath/declaration under 37 CFR 1.175(b)(1) must be received before this reissue application can be allowed.

See MPEP 1444 as to how to prepare an appropriate supplemental oath/declaration under 37 CFR 1.175(b)(1). An example of acceptable language to be used in the supplemental oath/declaration is as follows:

"Every error in the patent which was corrected in the present reissue application, and is not covered by a prior oath/declaration submitted in this application, arose without any deceptive intention on the part of the applicant."

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
